Alejandro Gomez

321-655-8177 aleglacayo03@gmail.com www.linkedin.com/in/alejandro-josegomez

Goal-oriented individual who actively seeks ambitions with determination. I'm always looking at new projects and opportunities to learn. Accepts new tasks with ease and delivers exceptional results.

Work Experience

PROGRAMMER ANALYST INTERN - INTERNATIONAL WORK EXPERIENCE **May 2026 – Aug 2026**

Grupo LAFISE · Managua, Nicaragua

- Introduced to Bancanet workflows, SWIFT code verification, legal entity classification, transaction lifecycle management, and core operational areas such as MTI, SP, and D2B.
- Worked with systems tools including WinSCP, MFT (GoAnywhere), Host2Host, NoSQL, Postman API, H2HAdmin, and DB environments.
- Supported the team in ensuring data accuracy, compliance, and smooth transaction processing across multiple international financial systems.

HOTEL RECEPTIONIST **Jan 2021 – Dec 2025**

Hotel Cordoba · Granada, Nicaragua

- Utilized Microsoft Excel to engineer a detailed client database with automated filtering to efficiently track customer purchases and check-in dates, reducing lookup time by an estimated 40%.
- Engineered and maintained the hotel website using HTML, designing the page container framework and integrating key features including the gateway payment method and the digital menu.
- Processed payments and maintained accurate financial records, ensuring full financial integrity and zero discrepancy across billing cycles.

VOLUNTEER FIREFIGHTER **Aug 2024 – Mar 2025**

Civil Association of Volunteer Firefighters · Granada, Nicaragua

- Collaborated with team members to conduct safety inspections, ensuring compliance with safety regulations and reducing incident risk across monitored sites.
- Attended community events to educate residents on fire safety awareness initiatives, strengthening public preparedness.
- Assisted senior firefighters in coordinating responses to emergency incidents, contributing to overall operational effectiveness and team cohesion.
